WELLBEING & TIMELESSNESS

Situated on Chaweng's vibrant beachfront, Muang Samui offers a tranquil oasis inspired by Thai heritage and holistic wellbeing.

The resort features 53 spacious suites (53 sq.m. and 106 sq.m.), each adorned with handcrafted wooden furnishings and offering an intimate atmosphere. All suites are equipped with a jacuzzi and overlook lush tropical gardens.

Our wellness facilities include a freeform beachfront swimming pool, a state-of-the-art Horizon gym with Matrix equipment, and a spa featuring modern hydrazone and serene treatment rooms with breathtaking sea views.

At Anand Restaurant, our chefs invite to a Southern Fiesta dining experience. The architecture of Muang Samui draws inspiration from Buddhist philosophy and the timeless wisdom of Songkhla's local heritage, harmonizing seamlessly with nature, the climate, and the community.

Muang Samui is proud to be part of the Muang Samui Family Hospitality Group.
